Owl You Need is Love

Many Oregon Tech alumni found their life partners while at school. We want to hear your stories! All month long, visit our Facebook and Instagram sites for Owl love stories.

Mark and Roseanne Tilden are kicking off this lovely month-long celebration of owl couples with their love story:

Roseanne and Mark met at Oregon Tech back in the 1970s. Roseanne was president of Oregon Tech's Newman (Catholic) Club, while Mark was the president of the non-denominational Christian Club, Maranatha. In addition to the Newman Club, Roseanne often attended the Maranatha Club meetings, which Mark led, and that's where they first met. Their relationship started when Roseanne approached Mark with theological questions. Their dialogue quickly blossomed into a friendship, and eventually, marriage shortly after Roseanne graduated.

Roseanne worked for St. Vincent's, the VA, and Tuality hospitals after graduation, and Mark worked for Tektronix, the VA, and Tuality hospital (and eventually sell) two internet software companies. They have two adult daughters and six grandchildren.

Please send YOUR Oregon Tech love story and a photo to rebecca.burke@oit.edu and we will share on Facebook and Instagram.

7-Word Stories

Congrats to the January winner of the 7-Word Stories contest: **Debi Snider '82**

Fun sledding on the hills around campus

Each month, you are invited to submit a 7-word story about Oregon Tech to fit a monthly theme. This could be a vivid memory of your time at Oregon Tech, a "story" about what the university has meant to you, or anything that this story challenge brings to mind. At the end of each month, we will announce a winning story. Only July 7 at 7PM., we will announce a Grand Prize winner from all the submissions. Submit your 7-word story via email to rebecca.burke@oit.edu or on the Oregon Tech Alumni [Facebook](#) page.

Why the number 7? Because Oregon Tech has been around since 1947, 72 years! We are getting excited for our upcoming 75th anniversary and want to start generating a buzz about our awesome university. And...Dr. Nagi is Oregon Tech's 7th president!

The theme for February is: **LOVE**
