7-Word Stories

We are kicking off the new year with a fun and creative new contest: 7-Word Stories. Each month, for the next SEVEN months, you are invited to submit a 7-word story about Oregon Tech to fit a monthly theme. This could be a vivid memory of your time at Oregon Tech, a "story" about what the university has meant to you, or anything that this story challenge brings to mind. At the end of each month, we will announce a winning story. Only July 7 at 7PM., we will announce a Grand Prize winner from all the submissions. Submit your 7-word story via email to [rebecca\\_burke@oit.edu](mailto:rebecca_burke@oit.edu) or on the Oregon Tech Alumni [Facebook](#) page.

Why the number 7? Because Oregon Tech has been around since 1947, 72 years! We are getting excited for our upcoming 75th anniversary and want to start generating a buzz about our awesome university. And...Dr. Nagi is Oregon Tech's 7th president!

The theme for January is: **WINTER**

**Examples:** Memories of building snowmen on Klamath campus; Snowy owl sighting prompts memories of Klamath; Basketball games, cheers, hot cocoa in gym

### Soar to New Heights

The Alumni Giving Campaign runs annually from July 1 to June 30. This year's goal is 1,220 alumni expressing their passion with an annual gift back to Oregon Tech.

Alumni participation inspires the broader community of supporters and is 1 of the 7 factors considered by U.S. News & World Report when evaluating and ranking universities. Rankings can affect reputation, enrollment, and revenue from tuition. As of Jan. 1, 2019, we are nearly half-way to reaching our goal of 1,220 participants. If you've already made a gift this year, **thank you**. If you have yet to make your annual gift, please consider a donation in an amount that is meaningful to you and join with your fellow Owls to help students soar to new heights this year.
