**Alumni Spotlight**

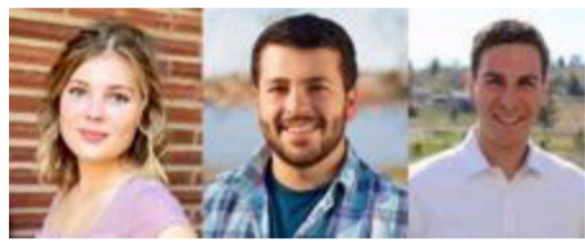

Jeri Marshall was recruited to play basketball for the Hustlin' Owls in the mid-1970s. After leaving the school, Jeri went on to earn advanced degrees and has spent most of his career working in higher education. His work in the community is truly inspiring and it's no wonder why he was awarded an Outstanding Alumni Service award from Oregon Tech in 2007. [Read Jeri's Story Here!](#)
