Alumni Spotlight

Jennifer Lyman graduated from Oregon Tech in 2012 from the dental hygiene program. Read all about this amazing, resilient and caring woman who has also just started her own business, mentoring women and children through military deployment. As a military wife and mother of two young children, Jennifer is on a mission to support other women.

We need your help to guide us in providing the programming, services and benefits that matter most to alumni.

Please take this short survey to help us gauge interest in events, volunteering, mentoring, communications, continuing education and more.

Entries received by June 1st will be entered in a drawing for alumni merchandise.
